STATEMENT OF FCC COMMISSIONER MIGNON L. CLYBURN ON THE RE- CHARTERING OF THE ADVISORY COMMITTEE ON DIVERSITY FOR COMMUNICATIONS IN THE DIGITAL AGE

I am pleased that the FCC will continue to benefit from the knowledge and wise counsel of some of the country's best diversity-centric thinkers. I want to thank Chairman Genachowski for re-constituting the committee, and look forward to receiving and acting on the recommendations and research that the group will generate.

I have been the beneficiary of a number of positive interactions from many of our appointees, and wish to applaud and acknowledge them for their previous service. Their findings and advice continue to guide my office in its decision-making and their ability to weigh in on issues that the Commission is considering is invaluable to the agency.
